

Wine bottle portfolio
2020

American made.
Straight from
the source.

Bottles 100% made in the USA.
Direct from us, the manufacturer.

Enjoy the benefits of direct access to your local glass manufacturer

Wineries of all sizes can experience the high level of attention, responsiveness and ease that comes with buying directly from Ardagh Group. As the largest producer of glass wine bottles made 100% in the USA, Ardagh Group has the resources to meet your needs in a highly-flexible manner, setting you up for success.

With manufacturing facilities and sales teams serving you from the heart of the major North American wine regions, we're right where you need us. Our U.S.-based operation keeps us in close contact with our customers and allows us to offer a high level of

service on every project — no matter how big or small. We even offer the option to order less than truckload quantities through our concierge service, Ardagh Direct.

You'll experience responsiveness, increased flexibility, quick turnarounds, design and technical collaboration, and inventory to meet your changing needs. Plus, you can feel confident knowing your high-quality bottles are coming from one of our wine-focused, state-of-the-art plants right here in the U.S.

We're proud of our more than 125 years of wine-industry knowledge and collaborations with local wineries and we look forward to sharing that with you.

Working together to meet your needs

From bottle options to flexibility in ordering, we'll work with you to accommodate the unique needs of your winery.

Ardagh Group offers a wide selection of premium wine bottles in a variety of colors, sizes and styles to help your brand stand out in the perfect package. With Antique Green, Dead Leaf Green, Champagne Green and Flint furnaces running year-round and a large range of bottle weights and finishes, we're able to offer tremendous choice to our customers.

And with our Development Machine for limited-edition or new products, our Bulk-to-Case and FlexRun® services and our ECO Series® bottles, we offer more options and flexibility than ever before.

Our team will work with you to adjust to changing glass volumes, addressing your needs as they arise and making ordering easy. Let us show you how our bottle selection and superior service can make a difference for you and your business.

Call on us

Our experienced sales, design and technical staff are just a phone call away. Contact Ardagh Group today to discuss our extensive product portfolio and design capabilities.
